Audit report of Certified Public Accountant

To the shareholders of Golden Land Property Development Public Company Limited

I have audited the accompanying consolidated and separate balance sheets as at 31 December 2009, and the related statements of income, changes in equity and cash flows for the year then ended of Golden Land Property Development Public Company Limited and its subsidiaries, and of Golden Land Property Development Public Company Limited, respectively. The Company's management is responsible for the correctness and completeness of information presented in these financial statements. My responsibility is to express an opinion on these financial statements based on my audits. The consolidated and separate financial statements of Golden Land Property Development Public Company Limited and its subsidiaries, and of Golden Land Property Development Public Company Limited, respectively, for the year ended 31 December 2008 were audited by another auditor whose report dated 26 February 2009 expressed an unqualified opinion on those statements, with emphasis on the related party transactions.

I conducted my audits in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the consolidated and separate financial statements referred to above present fairly, in all material respects, the financial positions as at 31 December 2009 and the results of operations and cash flows for the year then ended of Golden Land Property Development Public Company Limited and its subsidiaries, and of Golden Land Property Development Public Company Limited, respectively, in accordance with generally accepted accounting principles.

Without qualifying my opinion on the above financial statements, I draw attention to note 4 to the financial statements. The Company and its related parties had significant business transactions with related parties, principally relating to the provision of services, loans and advances. Such transactions have been concluded on the terms and basis agreed between these parties.
